Membership & Automatic Payment Agreement

Resident Athletic Club LLC | Naples, Florida

1. Selected membership

This agreement applies only to the membership you select and approve at checkout:

• Active Membership: Four 60-minute personal training sessions per monthly billing cycle - $400 per month.

• Vitality Membership: Eight 60-minute personal training sessions per monthly billing cycle - $760 per month.

• Longevity Membership: Twelve 60-minute personal training sessions per monthly billing cycle - $1,080 per month.

Only your selected membership will be charged. The membership, recurring payment amount, and billing schedule will be shown in your checkout confirmation.

2. Monthly payment authorization

The agreement authorizes RAC, through Acuity Scheduling and its payment processor, to charge your selected payment method for the membership amount approved at checkout, and that same amount each month until you cancel. The first payment is due when your membership begins. Subsequent payments follow the monthly billing schedule shown in Acuity Scheduling. There is no setup fee, no minimum commitment beyond the current monthly billing cycle, and no membership cancellation fee.

3. Automatic renewal

YOUR MEMBERSHIP AUTOMATICALLY RENEWS EACH MONTH UNTIL CANCELED. EACH RENEWAL AUTHORIZES ANOTHER MONTHLY PAYMENT AND PROVIDES THE SESSION ALLOWANCE FOR THE NEW BILLING CYCLE.

RAC will not increase your recurring payment amount or change your membership tier without your express agreement.

4. Cancellation

You may cancel future renewals at any time by emailing horio@residentathleticclub.com. To stop the next payment, your cancellation request must be received before the next scheduled billing charge. RAC will confirm cancellation in writing. A timely request is effective even if RAC sends its confirmation later.

Cancellation stops future renewals. Unless you request otherwise or receive a refund that ends the membership, you may use your remaining sessions through the end of your paid billing cycle. Canceling an individual appointment does not cancel your membership.

5. Session use and scheduling

Sessions are provided per monthly billing cycle, not per calendar week. Appointments are arranged with your coach and are subject to availability. Unused sessions expire at the end of their billing cycle and do not roll over. If RAC cannot deliver an included session, RAC will arrange a replacement, extend the session’s validity, or refund its proportionate value.

Each appointment uses one membership session whether you train alone or bring one partner at no additional charge. Every participant must complete an individual liability waiver before training. Any appointment cancellation or no-show policy must be disclosed before booking. This agreement does not authorize undisclosed fees.

6. Refunds and payment questions

Canceling future renewals does not automatically refund an otherwise properly charged current billing cycle. The agreement does not limit any cancellation, refund, or other consumer rights required by applicable law. Duplicate, unauthorized, or incorrectly processed charges will be reviewed and corrected. Contact RAC by email with billing questions.

7. Acknowledgment

At checkout you review your selected membership, monthly payment amount, session allowance, automatic renewal terms, and cancellation procedure, and authorize the recurring payments described in your agreement. You are not required to declare satisfaction with services that have not yet been provided.
